maidenstone

IRONWOOD SANDSTONE

FINISHES

Tumbled B

Natural Cleft

Tumbled

As versatile as it is handsome, this lush sandstone can be rustic chopped or crisply sawn to size. Further finishing is available to create a classic old world look, or a more monochromatic, subtle suede-like texture. Whether used as a landscape or building stone, Ironwood Sandstone offers complete continuity of color and texture throughout the many applications.

APPLICATIONS

- Residential Paving
- Full Depth Veneer
- Thin Veneer
- L Shaped Corners
- Dry Stack Landsc. Walls
- Freeze Thaw Veneer
- Freeze Thaw Paving
