

FINISHES

Natural Cleft

Tumbled

Taupe, grey, and gold hues combine to give natural cleft Anigre Sandstone an earthy warmth and beauty that is well-suited for landscape projects with a slightly more rustic and natural aesthetic. This adaptable sandstone is available in paving formats ranging from flagstone and chopped or sawn-to-size paving to sorted thickness wall caps, coping, and stair treads. Anigre Sandstone is also available as a ledge stone, web-wall, or cut ashlar veneer that can be used in dry-stack garden walls and building veneer alike.

APPLICATIONS

- Dry Stack Landscape Walls
- Full Depth Veneer
- Freeze Thaw Paving
- Residential Paving
