Bushhammered

Flamed

Honed

Split Face

Jet black and charcoal unite in an intricate matrix to give Black Tapestry Granite its natural jacquard appearance. The consistency of color and activity, coupled with the ability to fabricate items ranging from large monolithic features to petite cobbles, make this a preferred option for all types of projects. Whether used alone or combined to contrast against a lighter material, Black Tapestry Granite is a material that is certain to stand out and be noticed.
